

# Turkey in the Straw

Melody study in F major

Voice and ukulele

Traditional

Verses

$\text{♩} = 112$

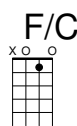

1. When a charge goes a-mov-in' through a mag - net-ic field, there's a

force on the charge that the field can yield, take the

vel - o - ci - ty and cross it with B and there's

one lit - tle e - qua - tion that you're gon - na need!
